# ORCHESTRA *of* LIGHTS™

Quick Start Guide

Get Started

Learn more and get started with your Orchestra of Lights™ app

Thank you for purchasing Orchestra of Lights™! This Quick Start Guide is intended to provide an overview. For more details, please visit OrchestraOfLights.com. Enjoy your ultimate holiday light show!

❶ Download the app
Orchestra of Lights™

Download on the App Store

GET IT ON Google play

❷ Plug in the
Orchestra of Lights™ WiFi Hub
(Requires only ONE Hub for entire light show)

❸ Link the Hub
Using your smartphone, open settings and go to WiFi selections. Select "**Hub-Orchestra of Lights**". Next, open the Orchestra of Lights™ app and select **SETUP**.

A) Select **SETUP**

B) Connect the hub in your phone settings

C) Connect the hub in the app

D) Reconnect your wifi network in your phone settings

E) Select your preferred home wifi network

F) Connect your Orchestra of Lights items*

PRO TIP
Make sure Bluetooth is turned on and location permissions are enabled.

Smartphone Compatibility
Android: 4.3 or higher version, supporting 4.0 Bluetooth, iOS 9.0 or higher version
iPhone: iPhone 4s or higher version
iPad/iPod: iPad 3, iPad mini (1,2,3,4 series), iPad Air (1,2 series), iPad Pro, iPod touch (5 Series)
Depending on your device, there could be a delay of 10-30 seconds before Orchestra of Lights™ fully syncs.

Musical Light Show

Learn about lighting and music options

Plug in your Orchestra of Lights™ products and wait for them to automatically sync with the Hub. This could take a few minutes. Lights will flash white and begin the Christmas Light Show when successfully connected to the Hub.

Now for the fun part! Orchestra of Lights™ offers multiple themes, colors, effects and preprogrammed light shows. Browse through your options then apply selections to each product to create your ultimate holiday light show. Additionally, with the Light Show Box with Speaker, you can incorporate your existing lights and decor to coordinate with the Light Show.

CUSTOM AUDIO
CONNECT BLUETOOTH
1. Initiate pairing. Press the Bluetooth button on the speaker item.
2. Make sure Bluetooth is ON in your phone settings. Select the speaker item from the list of available Bluetooth devices.
3. Go to your favorite music app to play your own music.

VOLUME

OFF   **ON**

NEW FEATURE!
The light bulb in the upper right corner lets you turn lights on and off with a single touch.

Help & Products

Ensure your products are connected

Once plugged in, your products should automatically sync to the Hub (as long as the Hub has been properly set up). To check if a product is connected to the Hub, go to **SETTINGS > MANAGE ITEMS** and look for the green circle.
